

# Deployments of the Week

Nominations are welcome for Deployment of the Week. Send your recommendation via our various [Contact Us](#) channels or [@ushahidi](#) with your recommendation.

How it works: The goal is to recognize deployments, deployers, teams of deployers, individuals and communities and feature Ushahidi and Crowdmaps that do one or more of the following:

- Builds community and teamwork
- Location - maps from around the world
- Your choice
- Showcase/expand the open source software (new themes or code)
- Demonstrate unique or timely topic, be active
- Community outreach

[More details from our blog post.](#)
