

Help, I want to.....

I want to ask a question...

- Search the wiki and [forums](#) for answers.
- Then, add a forum post or email the community.

I want to file a bug or feature request for Ushahidi Platform and SwiftRiver....use [Github Issues](#). Also, see [Report a bug](#)

I want to file a bug or submit a feature request for Crowdfunder use: support AT crowdfunder dot com.

I want to join the community...

- [Getting Involved](#)
- See [#Community Tasks](#)

Email the community...

- Ushahidi Developer Mailing List: developers AT ushahidi DOT com
 - To subscribe send an empty email to developers-subscribe AT list.ushahidi.com
- Swift River Mailing List to join: swiftriver AT googlegroups DOT com
- Ushahidi Community Mailing list: community AT list.ushahidi.com
 - To subscribe send an empty email to community-subscribe AT list.ushahidi.com

Quick Ways to [Getting Involved](#)

I want to help edit the wiki...please go ahead. This is your space.

I want to learn how to deploy Ushahidi. See [Ushahidi Toolkits](#) and [Our Products](#). Oh, and [Contact Us](#)

I want to help translate... review [Localization and Translation](#)

I want to do research.... see [Research](#)

I want to contact one of the team members... drop us a line at info at ushahidi dot com.

I want to talk with the community in real-time....join skype or IRC ([Contact Us](#))

More help...

On Technical Issues:

- Search this wiki or [forums](#). (Also see the [legacy forums](#) for archive content)
- Collaborate with the community skype or dev mailing list. (This is a real-time stream of global chatter)
- Search [Github Issues](#) for [existing issues](#).
- Add a [Github Issue](#): (bug or feature) request. Also see: [Report a bug](#)

On Non-Technical Issues:

- Search this wiki or [forums](#)
- Add a forum post for questions.
- Share your knowledge on the wiki.
- Collaborate with the Channel for Academics, Researchers and Community Skype Chat or mailing lists.
- To ask general non-technical tickets, you can drop us a [Contact note](#).
- We are hoping to create a feedback/input space for you to help build Ushahidi.
