Chat and Collaboration zones:

Wiki, user profiles, and documentation

- [The Ushahidi Wiki](#) (you are here)

Code

- [Git Hub](#)
- [Git Hub for Translators](#)

We use Github Issues for all technical ticketing. Each "Repository" has a separate "issue" section. For example, see [Ushahidi_web](#). We are investigating better ways to give [Feedback/input](#) for Community Members who are not technical.

IRC:

We are [#ushahidi](#) on [irc.freenode.net](#)

Skype:

We have a number of Community Skype channels: Developer Skype Chat, Mobile, Swift Public and Research Non-Tech Skype Chat

(contact [ngelzy](#) on skype to be added to these groups)

Mailing lists:
