

Demo Sites - Quick Guide

Ushahidi v3 has a Demo Site to help users test.

Use the Stand-alone Demo Site

This site allows any user to easily test v3 without having the heavy technical lifting. No code knowledge required.

1. Go to <http://demo.platform.ushahidi.com>
2. Create a new account or use the demo admin
username: admin
password: admin
3. Go ahead and start playing with views, creating posts.. explore.
