

Ushahidi v3.x - Getting Involved

How to Get involved

Before you do anything else, you will need to download and [install Ushahidi v3](#), then follow our [developer guide](#) and pick a [feature](#) to work on. Be sure to leave a comment on the task to let us know you are working on it!

Join the Community

Connect with the wider Ushahidi community:

- Join the discussion on [our forum](#)
- Sign up on the [mailing list](#)
- Chat with us on:
 - IRC at [#ushahidi on Freenode](#)
 - Gitter at [ushahidi/Community](#)
 - Hipchat [Platform v3 room](#)
 - Messages to any of these channels should show up on all of them!
