

# Translators without Borders and Community Task

We're brainstorming on which languages need Translation or Localization help from the Ushahidi Community and our friends at [Translators without Borders](#). We're focusing on [Crowdmap](#) and [Ushahidi Platform](#), then we take aim at the mobile services. (More about how to [Localization and Translation @ Ushahidi](#)). These are just a start. If you have other languages that you'd like to help with, please simply sign up to Transifex and start. Thanks so much!

## Top Countries that Ushahidi has been used: (blog: [Where in the world](#))

Our goal is to build like [Translators without Borders has worked with Wikipedia](#).
