

Developer Community Meetings

Ushahidi Developer Community Calls

Next Developer Call

A one-hour audio discussion about the latest in Ushahidi development.

When: TO BE ANNOUNCED

Register: We use [meetup](#) to connect and plan Ushahidi Developer calls

Topics: Ushahidi v2 and v3 development, android/SMSSync and Crowdmap development.

Duration: One hour.

Who: Ushahidi developers are invited to join the core team's [Angela Oduor Lungati](#) on the call.

How to join: Participate in the Ushahidi Community Dev Chat on Skype. We will create a separate window for the meeting to include those who wish to join. If you are not a member of the Skype conversation, contact [Angela Oduor \(ngelzy\)](#) for an invite.

The community call is monthly, with varying start times to accommodate different timezones. A recording of the call will be published here shortly after its conclusion.
