Community Badges

We are building a number of Community Badge Programs. Our maps include Badges as features. We will be adding more community badge programs in the future. What types would you like to see?

Community Leaders

Coming soon.

Deployment of the Week

We recognize the amazing Deployments of the Week

Trusted Developers

See our Trusted Developer Badge Program. We recognize the following Trusted Developers. These developers have contributed to the evolution of Ushahidi. We highly recommend them as skilled Ushahidi developers for your projects.

Deployment Partners

Upcoming Community Badges

We have been working on a Community Badge program. And, we're closely monitoring our friend's at Mozilla's Open Badge Program. Want to add some brain cells to that effort? Add a comment for the badge types.
