

Crowdmap - Creating a new account

Do you already have a crowdmap account? If yes, [jump to this section of the page](#). If your answer is No, [jump to this section of the page](#).

Crowdmap Classic Users

Crowdmap classic users don't need to re-register 😊. You can login to new Crowdmap using the same Email address and passwords as your existing Crowdmap classic account.

Log in ✕

Log in

Once you successfully login, you'll be prompted to complete new Crowdmap registration, by filling in your full names and username. You only need to do this once!

Sign up ✕

Complete your account!
You already have an account on Crowdmap Classic or another Ushahidi product. In order to use this version of Crowdmap, we need just a few extra details. You can do that here! If you would like to login using a different account, just click this message and try logging in again.
