

Crowdmap - Your Maps

You can create as many topical maps as you like. Then, you can add posts to a map.

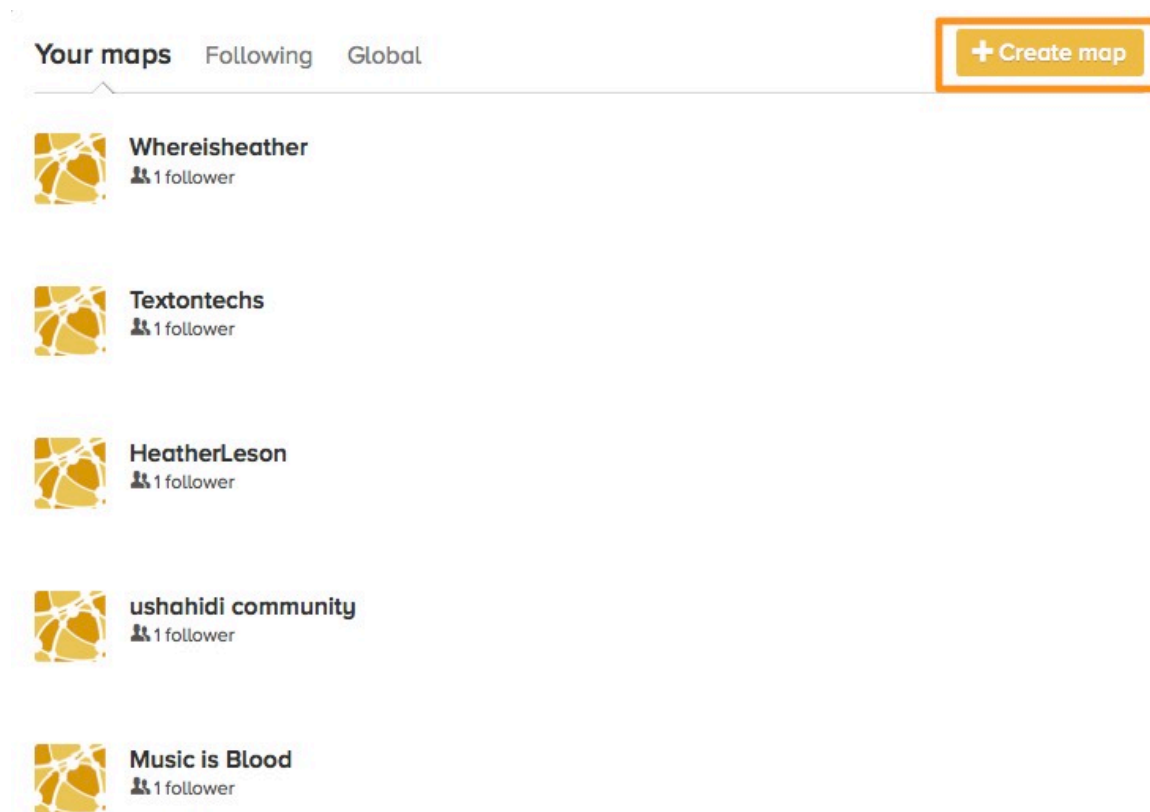

Create a Map:

Step 1: Click on "Create Map"

You can do this from homepage

or from your maps page

Step 2: Add your Map Details

- Give your map a name. It will need to be more than 4 characters. Common map names may be taken.
- Create your Map web address. This can be the same or different from your Map Name.
