

# Crowdmap - Using tags

You can add a tag to a map.

Step 1: Click on Map Settings

Step 2: Scroll the "tags" section of the "Map Settings" Page.

Enter your tags (up to 3 tags). Click "Done".

## TAGS

These tags will help others find your map. Try and be as descriptive as possible with 1-3 words per tag.

#garden, #gardening

Add tags

Step 3: View or make changes to your existing "tag" settings in the "Map Settings":

## TAGS

These tags will help others find your map. Try and be as descriptive as possible with 1-3 words per tag.

#garden

#gardening

Add tags

You can add a tag to a post.

When you are posting, you can add a "tag" using a "#hashtag":

## Create post

While this is not my garden, it is one of the most peaceful places on earth: Giraffe Center #garden

Uploading your photo ...

Publish

It will appear in your post:
