

Crowdmap - Users

Every Crowdmap User has a "user page" with all their posts. Their posts can optionally be added to maps. See [Angela Oduor Lungati's Crowdmap Home page](#).

The screenshot shows the user profile for Angela Oduor on the Crowdmap platform. The header is orange with the Crowdmap logo and navigation links for Maps, Search, and Get Plus. The profile name is Angela Oduor, with a bio that reads: "@angela — Smily, bubbly but paranoid Ukrainian born Kenyan ;). Dev @ushahidi, @crowdmap tech support. Geek in Pink ;)". Below the profile is a section for "Latest posts" with a dropdown arrow, a "Following" button, and a settings gear icon. The first post is from 15 hours ago and contains a text message and a photograph of a lake at sunset with boats and a dock.

So this is weird @brianherbert, the only way I get a prompt to upload a photo is by clicking in the close button of this window after clicking on the image icon O_o. Anywho, enjoy the view of the lake :)
