Switching between Crowdmap and Crowdmap Classic

We know that you may be testing the new version, but still want to work with Crowdmap "Classic". Here are some basic steps to toggle between the two versions:

Switching between Crowdmap and Crowdmap "Classic"

Step 1: Search for Crowdmap.com using your browser of choice.

Step 2: Scroll to the bottom of the Crowdmap "classic" home page and click on "New Version"

What Exactly Is Crowdmap?		What Can I Do With Crowdmap?	
POWERED BY	Crowdmap is designed and built by the people behind Ushahidi, a platform that was griginally built to	Monitor Elections	Map Crisis Information
crowdsource crisis information. As the platform has evolved, so have its s. Crowdmap allows you to set up your own map of Ushahidi out having to install it on your own web server.		Use the power of the crowd to monitor and visualize what went right, and what went wrong, in an election.	Whether it's a natural disaster, epidemic or political crisis, Crowdmap was built for it.
