

WSIS Country Workshop (Afghanistan)

NICTAA is spearheading the WSIS Country Workshop in Geneva on 14 May. We are collecting information about various ICT for development projects in Afghanistan.

1) Please share basic program/project/activity information as follows: Project Name & Website (insert project name/ title) Sector (e.g. agriculture, health) Implementing Agency/ Donor Objectives (in bullet points) Duration (start-end dates) Location(s) (geographic coverage) Outcomes/ Impactn(in bullet points)

2) Interested in sharing a case study (maximum 2,000 words)? Please use the suggested template:

Title of the case study	
Major partners	
Project start date and duration	
Project status (ongoing, completed, etc.)	
Brief introduction	
<p>A description of the case, including conditions and contexts, and where and how it fits in the context of ICTD</p> <ul style="list-style-type: none"> • Project rationale • Who initiated the process? • Who were the target beneficiaries? • Who were the service providers? • How did the initiative work? • Was there a local champion? • Was there a partnership? 	
<p>Project management and evaluation</p> <ul style="list-style-type: none"> • How was the project managed? By whom? • Was there any independent evaluation of the project? • What were the major findings of such an evaluation? 	
<p>Identification of strengths and weaknesses</p> <ul style="list-style-type: none"> • How did the strengths and weaknesses affect the overall outcome of the initiative? 	
Issues to reflect over	
Any other remarks	
Source and useful references (links) for further information
