# Search your river/bucket

Custom search filters can be added to buckets and rivers

You can search within buckets and rivers based on:-

- Keywords
- Date range
- Region

Search By Keyword

You can add multiple keywords, each separated by a comma.

Search By Date

You can select a specific date range to filter your river by e.g from 1st June, 2013 to 17th June, 2013.
