

The Dashboard

Your dashboard shows you the latest information from people, rivers and buckets you follow.

Activity Stream

You'll be able to see the following information from people you follow:-

- Rivers created and subscribed to
- Buckets created and subscribed to
- New users followed/subscribed to
- Invitations to collaborate on rivers or buckets

The screenshot shows the Swift River dashboard. At the top, there is a blue navigation bar with the Swift River logo, a home icon, a search icon, and buttons for 'Rivers', 'Buckets', and a user profile icon. Below the navigation bar, the user profile for 'Administrator' is displayed, showing a default profile picture, the name 'Administrator', and the text '0 followers, 3 following'. The main content area is titled 'Activity' and 'Content'. On the left, there is a sidebar with a list of filters: 'Everything' (selected), 'Pending', and 'Discussion'. The main content area features a large grey box with the heading 'This is where you'll see the latest from people, rivers and buckets you follow.' Below this heading are three columns, each with an icon and a description: 1. A blue wave icon with the text 'Get real-time information flowing.' and a 'Create a river' button. 2. A blue bucket icon with the text 'Save your hand-picked information.' and a 'Create a bucket' button. 3. A blue magnifying glass icon with the text 'Find information and people of interest.' and a 'Search' button.

Content Stream

This page displays all rivers, buckets and custom forms you have either created, are following or collaborating on.

You can filter them according to those you manage, and those you are following.
